EUROPUR
European Association of Flexible Polyurethane Foam Blocks Manufacturers

# OUR MEMBERS
## Europe, June 2024

- 4 National PU Associations
- 126 Flexible Polyurethane Foam Plants
- 32 Chemical Raw Materials Suppliers
- 4 Adhesives Producers
- 12 Machinery Manufactures
- 8 Service Providers
- 3 Recyclers
- 4 Logistics Companies

EUROPUR members operate well over **100 factories** in 32 countries in geographical Europe and account for nearly **90%** of the flexible slabstock PU foam production in the region.

In addition, EUROPUR welcomes slabstock PU foam producers from Middle East and Africa as associate members.

We also welcome organisations from the flexible PU value chain as associated members. These are Raw Materials Producers, Additives Suppliers, Machinery Manufacturers and various Service Providers, ranging from laboratories to recycling companies.

As of June 2024, there are more than **60 associate members** in EUROPUR. Only headquarters of associate members' companies are represented on the map.
